

# 2025 Campership Application

Financial Aid is intended to offset a portion of the camp fee. The initial campership grant is in the amount of \$250. If more financial needs exist, you may indicate that on the form below and consideration will be made. Again, it is our desire that no child miss out on the summer camp experience at East Ohio Camps. We do ask that every camper pay the initial \$40 registration fee.

**Please complete all fields. Please complete one (1) application for each camper and submit it at least two weeks before the camp event.** Campership Funds are primarily available for children and youth who would not otherwise be able to attend camp due to financial hardship. Please note that granted campership funds will be directly credited to the camper's account at the Camps Office.
